FROM: MICHAEL TUERPE, LAFCO Analyst
TO: LOCAL AGENCY FORMATION COMMISSION

SUBJECT: **Agenda Item 5:** LAFCO 3024 – Service Review and Sphere of Influence Update for County Service Area 64

RECOMMENDATION:

Staff recommends that the Commission continue LAFCO 3024 to the August 15, 2007 hearing.

BACKGROUND:

Attached is a letter from Thomas Sutton, Director of the County Special Districts Department, requesting a continuance for LAFCO 3024. The position of the Special Districts Department on the municipal service review/sphere update indicated no change to the sphere of influence for County Service Area 64. However, LAFCO staff, with consent of the Special Districts Department staff, proposes to modify the District's sphere of influence to better reflect the City of Victorville and Town of Apple Valley communities based upon the Commission's adopted sphere policies. The modifications proposed are (1) an expansion to the north to encompass territory presently served by the District outside its boundaries, and (2) expansions and reductions to the east to clarify the relationship between the City of Victorville and the Town of Apple Valley community spheres of influence designations.

Additionally, staff is awaiting response from the Special Districts Department regarding clarification on the types of services currently provided within the boundaries of CSA 64.

For the reasons outlined above, staff recommends a continuance to the August 15, 2007 hearing.
